“For beautiful eyes, look for
the good in others; for
beautiful lips, speak only
words of kindness; and for
poise, walk with the

You really made all my wedding dreams come true!!

Angela

Andrea did such an incredible job of my wedding make-up. She did mine and 5 of my bridesmaids looks and everyone looked so beautiful. She's really dynamic and really listens to your individual needs to create a gorgeous, long lasting and look. A total pro -would definitely recommend her!

Kelly

It's all in the little details...

Worried about the Scottish dark mornings or how to move the furniture around on the day, don't worry I got you! I bring my own table, chair and lighting setup to ensure you're lit perfectly and your makeup is flawless. I also supply my brides with a little touchup kit: lip brush loaded with lip colour, powder, blotting papers and little bits and bobs for emergencies.
